

## Divine Healing For All

The doctrine of salvation among many circles has been limited to forgiveness of sins and eternal life. Physical healing has not been included as a part of the salvation gift. However, both Old and New Testament scriptures repeatedly include bodily healing. The presentation of the doctrine of salvation in regard to the atonement should cover both spiritual and bodily healing. *"For I am the Lord that healeth thee."* Exodus 15:26

*"But He was wounded for our transgressions, He was bruised for our iniquities; The chastisement for our peace was upon Him, **And by His stripes we ARE healed.**"* Isaiah 53:5

*"Who Himself bore our sins in His own body on the tree, that we, having died to sins, might live for righteousness—**by whose stripes you WERE healed.**"* I Peter 2:24

The Greek word for salvation is *sozo*, which means to preserve from sickness, save, heal, and deliver. Bodily healing in the atonement would be inclusive, according to the Greek definition. Forgiveness of sins and eternal life should include a more accurate understanding of physical healing. We must not overlook that the same blood of Jesus Christ shed upon Calvary has the power to heal sick bodies today as well as wash away sins and give eternal life.

If we are healed, that means we were healed physically by the stripes of Christ. Jesus did it all, and it is up to us to have faith to believe and receive. Remember the woman with the issue of blood? Jesus said to her, **YOUR FAITH** has made you whole! Confess and believe what God's Word says about you! Confess **DIVINE HEALING IS FOR ME. THE WORD SAYS IT. I BELIEVE IT. THAT SETTLES IT.**

Let us put into practice what Jesus Christ has done for us in the realm of healing. Appropriating healing through the Atonement will help believers come to the realization that Jesus Christ has provided bodily healing today. Believers can possess the victory over sickness, poverty, and death. "Jesus Christ is the same yesterday, today, and forever." (Hebrews 13:8)

God Bless You,
